Dear Graham

This is just a quick note to say thank you so much for arranging the 'Simply Jack' event at Bouth Village Hall on Saturday 5th November. To raise £519.50, which I received today, is a wonderful result.

Your generosity and that of event attendees will make an immediate difference. No-one should have to face a life-limiting illness on their own, and thanks to your generosity we can be there:

Helen and her beloved husband Patrick were introduced to St Mary's services by attending day care, followed by respite care. When Patrick became unwell and came to St Mary's for his final days, Helen and Patrick knew the hospice and the staff and trusted our care implicitly. Patrick passed away in St Mary's Hospice peacefully. It is important to know that the Hospice support does not end with the death of a loved one, it continues with support for the whole family. Helen has attended Bereavement Support and Tai Chi classes. Helen says: "I felt at the time and feel now that I am held in the palm of friends who care."

These services bring so much comfort to both patients and their loved ones. Together we can help to provide support, care and hope for local people – but without you, it just wouldn't be possible.

Thank you so much for your kindness and support.
